KENTUCKY BOARD OF NURSING NURSING INCENTIVE SCHOLARSHIP FUND APPLICATION PROCESS

General Information

The Nursing Incentive Scholarship Fund (NISF) provides scholarships to Kentucky residents attending approved prelicensure nursing programs (RN or LPN) or graduate nursing programs. The scholarship requires that a recipient must work full-time as a nurse in Kentucky after graduation of one year for each academic year funded. If a recipient does not complete the nursing program within the time frame specified by the program, or does not complete the required employment, then the recipient will be required to repay any NISF monies awarded, plus accrued interest. NISF recipients are selected individually, using specified criteria. The amount of each scholarship is \$3,000 per year (\$1,500 per semester). NISF scholarships may be used for cost of living expenses, as well as school expenses.

Students in prelicensure (LPN & RN) and BSN completion nursing programs must complete a minimum of 15 credit hours per academic year of published requirements for the nursing program for each \$3,000 scholarship awarded. Graduate nursing programs require completion of 9 credit hours per academic year. Students must maintain a minimum grade point average which will allow continuation in a nursing program. The required number of credit hours can be divided between the fall, spring and summer sessions.

Qualifications and Preference Categories

An applicant for an initial NISF award must be a Kentucky resident and have been admitted to a program of nursing (whether located in Kentucky or not) completing core nursing courses. Prerequisite classes are not covered by the scholarship.

Preference for awards is given to applicants with financial need; practical nurses pursuing registered nursing education; and registered nurses pursuing BSN and graduate nursing education. To meet the financial need preference category, remember to apply early remember to apply early online at www.FAFSA.ed.gov or contact the financial aid through the school you are attending.

See the instruction page for more information on qualifying for the financial need category.

Scholarship recipients may be eligible to receive continued awards if successful academic progression is maintained throughout the nursing program. An application must be submitted for continuation consideration.

The Following MAY be Included With the NISF Application Form

A COPY OF YOUR STUDENT AID REPORT

If you want to qualify for the financial need preference category, then you should include a copy of your Student Aid Report (SAR) for consideration. The date of the SAR must match the academic year for which you are applying for funding.

WHERE DO YOU GET A STUDENT AID REPORT?

The Free Application for Federal Student Aid (FAFSA) may be obtained from the financial aid office at the school you are attending. The financial aid officer is the best source of information for applying for the FAFSA, so check with that office to ensure that you have completed all required forms. Follow the instructions to complete and submit the form to the proper agency. The College Scholarship Service or the U.S. Department of Education will then send you a Student Aid Report. For students with access to the Internet, online help in completing the FAFSA is available at www.FAFSA.ed.gov/help.htm. It takes several weeks to process a SAR, so APPLY EARLY.

Submit ONLY A COPY of the SAR with your application, and include ALL PAGES of the SAR. The report will have your EFC # on it. Application forms received by the June 1 deadline will be given the same consideration as those received early. Do NOT submit the actual FAFSA or the electronic application to the Kentucky Board of Nursing.
